

# Beautiful Prayer

**Holy Spirit**, help me to create room for Jesus today and place him at the centre. Help me to notice what you are doing in the lives of those around me and join in. Show me who you want to reach out to with your kindness, grace and truth.

Help me to signpost others to Jesus with my words. Help me use the gifts and resources you've given me. Give me wisdom to share my story, and your story, in a way that allows others to connect with you.

Help me to make time to be with you so that I can reflect your character to others. And when things are tough, help me to hold fast to the hope I have in you.

Help me to pray in line with your plan for my life and your heart for the world.

**Holy Spirit, in everything I do today, help me to create room for Jesus.**
